

Keep Your Youth

If you are young you naturally appear so. If you are old, why appear so? Keep young inwardly, you will look after the outward. You need not worry long over those little wrinkles of age, they advance signs of age.

Tremendous Business.

Our customers will be pleased to know that this store during the months of March, April and May has done the largest three months' business in its history. This may sound like commonplace news, but it means a great deal to every person. It means that with the help and support which this store is receiving, it is continually growing larger and better, and as it grows larger it is able to sell goods on a closer margin of profit. Our main idea is to co-operate with our customers by giving them better values, not necessarily lower prices, but better goods for the same prices.
